

MCI 2014 May Operation Raincheck

Receive a briefing on air traffic control and the Kansas City International Airport. Tour the Tower, TRACON, and simulation lab.

Directions: Exit off of I-29 to Kansas City International Airport. Once on Cookingham Rd and entering the airport, stay in the left hand lane. Follow signs for Police Station/FAA Tower exit. Once you make the left exit, take the next immediate left in front of the police station, then make the very next right hand turn. This will take you to the security gate to enter the facility. Once at the gate, press the call button and wait for someone to answer. Tell them that you are here for the Operation Raincheck tour.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
